

Application of: Euijoon Yoon et al.
Serial No.: 10/596,126
Amendment after Non-Final Office Action

REMARKS

Applicant thanks Examiner Crawford for the telephone call of February 16, 2011, in which the inclusion of the number "5" in the abstract was discussed. The inclusion of the number "5" in the abstract was accidental and unintentional, and Applicant believes it was originally a line number which was inadvertently incorporated into the abstract of the Application. By the above amendment, Applicant has deleted this number "5" from the Abstract.

If any issue regarding the allowability of any of the pending claims in the present application could be readily resolved, or if other action could be taken to further advance this application such as an Examiner's amendment, or if the Examiner should have any questions regarding the present amendment, it is respectfully requested that the Examiner please telephone Applicant's undersigned attorney in this regard.

Date: Feb. 16, 2011

Respectfully submitted,
